Important Update on the DPCDSB Dress Code Policy

March 4, 2025

The Dufferin-Peel Catholic District School Board (DPCDSB) remains committed to fostering a safe, caring, and inclusive learning environment where all students feel a sense of belonging and can achieve success. Dress codes and school uniforms are designed to support diversity, accessibility, safety, and the dignity of all students.

On January 28, 2025, the Board of Trustees approved updates to **Policy P-2006 Dress Code and School Uniform**. As part of these changes, dress code expectations now require that students ensure the area from the top of the shoulders to mid-thigh is covered.

Additionally, the DPCDSB dress code continues to prohibit any clothing with messages that contain or depict offensive or inappropriate content. Students are not permitted to wear attire that promotes:

- Hate
- Discrimination
- Illegal activity
- Profanity
- Violence
- Political language
- Threats to health and safety
- Any content that violates the Ontario Human Rights Code

We appreciate your support in ensuring our schools remain welcoming and respectful spaces for all students.

If you have any questions, please contact your child's school administration.

IMPORTANT INFORMATION: KISS AND RIDE, SCHOOL PARKING AND SAFETY CONCERNS

Dear Parents and Guardians:

The safety of our students and staff is of paramount importance. Regrettably, we are seeing an increase in incidents related to traffic circulation at the front of the school, parking lots, and in the Kiss and Ride area, particularly during morning arrival and afternoon dismissal, that are putting students, staff, and other parents/guardians at risk. Vehicles entering the site in the wrong direction, parking and pulling out of no parking zones, parking in bus lanes, and driving at a high rate of speed, to name some of the incident types, are putting the safety of our children, staff, and other parents/guardians in jeopardy. We cannot wait for a serious injury, or worse to occur, before we correct this situation. Concurrent with the traffic safety concerns, we have seen increased aggression directed towards school staff when they attempt to direct vehicles to move from these restricted parking areas. This is not acceptable.

It is imperative that all parents and guardians driving their children to school adhere to the traffic circulation plan and comply with the onsite traffic and parking signage; It is equally imperative that **all drivers** follow the direction of staff managing the traffic circulation on the school site.

When using the Kiss and Ride, you must adhere to the following procedures:

- Be patient with other vehicles as they drop off students.
- Always drive slowly on school property.
- Pull up as close to the other vehicle in front to accommodate other parents/guardians.
- **Do not park or get out of your vehicle in this area, even if only for a few seconds.**
- Students are to exit the vehicle on the passenger side (right side).
- Once your child has left the vehicle, please exit right away.
- Please do not walk your children through the Kiss and Ride Lane; this can be unsafe.
- When pulling out to pass other stopped cars, proceed with caution.

Sincerely,

Mr. Kelly

Principal
