Virtue of the Month: Acceptance

Important Information

Kindergarten Registration for the 2025-2026 school year is now OPEN! Please use this [link](#).

Allergy Alert

Christ the King CES is an “**allergen aware school**”. There are pupils in attendance who suffer from severe and life-threatening allergies to certain foods, such as peanut and nut products and, in some cases, dairy, seafood, and eggs. Exposure to the smallest quantities can cause severe life-threatening reactions. **We at Christ the King CES would appreciate the cooperation of the entire school community by NOT sending any lunches or snacks that could potentially harm a pupil or staff member. Please make sure that all of your children’s caregivers are aware of the food restrictions within their classroom. Students should be reminded not to share food items. No food treats are to be sent to the school for birthdays or special occasions.** There are many alternatives such as stickers and pencils. All food treats sent for sharing will be returned for home use.

May is Food Allergy Awareness Month

May is Food Allergy Awareness Month in Canada. Food allergy is one of the leading causes of potentially life-threatening anaphylactic reactions and a public health concern in Canada, especially among children. Over 3 million Canadians are affected by food allergy, that’s 7.5% of the population. The impact of food allergy is far greater, with an estimated 50% of households being either directly or indirectly affected by food allergy. That means 1-in-2 Canadian households are impacted by food allergy. As there is no way of predicting how severe an allergic reaction may be and no known cure for food allergy, avoiding the allergenic food is required to prevent a reaction.

Virtue of the Month: Acceptance

The Virtue of Acceptance means we accept ourselves and others just the way we are. God created all of us in his image, and God does not make mistakes. Being a part of God’s family means that we love and welcome everyone just the way Jesus did. Sometimes we find ourselves in situations where it is easier to follow the crowd than to stand up for what we know is right. However, Jesus wants us to accept everyone even when it is hard.

Our Daily Prayer for May: Let us pray for the Virtue of Acceptance the strength to trust that God is at work in everyone’s life despite what we think. Amen

Important Update on the DPCDSB Dress Code Policy

March 4, 2025

The Dufferin-Peel Catholic District School Board (DPCDSB) remains committed to fostering a safe, caring, and inclusive learning environment where all students feel a sense of belonging and can achieve success. Dress codes and school uniforms are designed to support diversity, accessibility, safety, and the dignity of all students.

On January 28, 2025, the Board of Trustees approved updates to **Policy P-2006 Dress Code and School Uniform**. As part of these changes, dress code expectations now require that students ensure the area from the top of the shoulders to mid-thigh is covered.

Additionally, the DPCDSB dress code continues to prohibit any clothing with messages that contain or depict offensive or inappropriate content. Students are not permitted to wear attire that promotes:

- Hate
- Discrimination
- Illegal activity
- Profanity
- Violence
- Political language
- Threats to health and safety
- Any content that violates the Ontario Human Rights Code

We appreciate your support in ensuring our schools remain welcoming and respectful spaces for all students.

If you have any questions, please contact your child's school administration.

IMPORTANT INFORMATION: KISS AND RIDE, SCHOOL PARKING AND SAFETY CONCERNS

Dear Parents and Guardians:

The safety of our students and staff is of paramount importance. Regrettably, we are seeing an increase in incidents related to traffic circulation at the front of the school, parking lots, and in the Kiss and Ride area, particularly during morning arrival and afternoon dismissal, that are putting students, staff, and other parents/guardians at risk. Vehicles entering the site in the wrong direction, parking and pulling out of no parking zones, parking in bus lanes, and driving at a high rate of speed, to name some of the incident types, are putting the safety of our children, staff, and other parents/guardians in jeopardy. We cannot wait for a serious injury, or worse to occur, before we correct this situation. Concurrent with the traffic safety concerns, we have seen increased aggression directed towards school staff when they attempt to direct vehicles to move from these restricted parking areas. This is not acceptable.

It is imperative that all parents and guardians driving their children to school adhere to the traffic circulation plan and comply with the onsite traffic and parking signage; It is equally imperative that **all drivers** follow the direction of staff managing the traffic circulation on the school site.

When using the Kiss and Ride, you must adhere to the following procedures:

- Be patient with other vehicles as they drop off students.
- Always drive slowly on school property.
- Pull up as close to the other vehicle in front to accommodate other parents/guardians.
- **Do not park or get out of your vehicle in this area, even if only for a few seconds.**
- Students are to exit the vehicle on the passenger side (right side).
- Once your child has left the vehicle, please exit right away.
- Please do not walk your children through the Kiss and Ride Lane; this can be unsafe.
- When pulling out to pass other stopped cars, proceed with caution.

Sincerely,

Mr. Kelly

Principal
