Virtue of the Month: Acceptance

Important Information

Kindergarten Registration for the 2025-2026 school year is now OPEN! Please use this [link](#).

Allergy Alert

Christ the King CES is an “**allergen aware school**”. There are pupils in attendance who suffer from severe and life-threatening allergies to certain foods, such as peanut and nut products and, in some cases, dairy, seafood, and eggs. Exposure to the smallest quantities can cause severe life-threatening reactions. **We at Christ the King CES would appreciate the cooperation of the entire school community by NOT sending any lunches or snacks that could potentially harm a pupil or staff member. Please make sure that all of your children’s caregivers are aware of the food restrictions within their classroom. Students should be reminded not to share food items. No food treats are to be sent to the school for birthdays or special occasions.** There are many alternatives such as stickers and pencils. All food treats sent for sharing will be returned for home use.

May is Food Allergy Awareness Month

May is Food Allergy Awareness Month in Canada. Food allergy is one of the leading causes of potentially life-threatening anaphylactic reactions and a public health concern in Canada, especially among children. Over 3 million Canadians are affected by food allergy, that’s 7.5% of the population. The impact of food allergy is far greater, with an estimated 50% of households being either directly or indirectly affected by food allergy. That means 1-in-2 Canadian households are impacted by food allergy. As there is no way of predicting how severe an allergic reaction may be and no known cure for food allergy, avoiding the allergenic food is required to prevent a reaction.

Virtue of the Month: Acceptance

The Virtue of Acceptance means we accept ourselves and others just the way we are. God created all of us in his image, and God does not make mistakes. Being a part of God’s family means that we love and welcome everyone just the way Jesus did. Sometimes we find ourselves in situations where it is easier to follow the crowd than to stand up for what we know is right. However, Jesus wants us to accept everyone even when it is hard.

Our Daily Prayer for May: Let us pray for the Virtue of Acceptance the strength to trust that God is at work in everyone’s life despite what we think. Amen

Junior Soccer

The Junior Soccer Team will compete in the Mississauga South Tournament on June 5th at the Paramount Fine Foods Centre. Thank you to Ms. Biturajac for coaching.

Upcoming Holidays

There will be **no school for students on Monday, June 9th (PA Day)**

Cell Phone Use

In accordance with PPM 128, students must keep their phones powered off or on silent mode and out of sight for the school day, unless otherwise allowed by the educator during instructional time for a specific

purpose. Students are not to have their phones outside during recess. If you need to get in touch with your child during the school day, please contact the main office. Please review these rules with your child. We appreciate your cooperation in maintaining a positive learning environment for all at Christ the King CES.

EQAO Dates: Grs. 3 and 6

Important Update on the DPCDSB Dress Code Policy

March 4, 2025

The Dufferin-Peel Catholic District School Board (DPCDSB) remains committed to fostering a safe, caring, and inclusive learning environment where all students feel a sense of belonging and can achieve success. Dress codes and school uniforms are designed to support diversity, accessibility, safety, and the dignity of all students.

On January 28, 2025, the Board of Trustees approved updates to **Policy P-2006 Dress Code and School Uniform**. As part of these changes, dress code expectations now require that students ensure the area from the top of the shoulders to mid-thigh is covered.

Additionally, the DPCDSB dress code continues to prohibit any clothing with messages that contain or depict offensive or inappropriate content. Students are not permitted to wear attire that promotes:

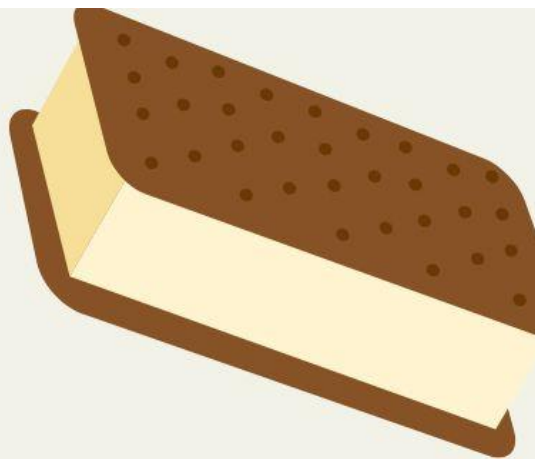

- Hate
- Discrimination
- Illegal activity
- Profanity
- Violence
- Political language
- Threats to health and safety
- Any content that violates the Ontario Human Rights Code

We appreciate your support in ensuring our schools remain welcoming and respectful spaces for all students.

If you have any questions, please contact your child's school administration.

Parish Summer Camps

Totus Tuus Toronto: Parish Summer Camps & Missionary Program

Day Camp:

- Mondays to Fridays
- Children entering Grades 1-6 in the fall

Students attend four classes each day, attend daily Mass, learn the Mass parts and liturgical songs, participate in games, icebreakers, skits, songs, recess, and prayer. The curriculum helps children to learn and be reinforced in important principles of their Catholic faith. College students who are on fire with their faith give the students living examples to observe and then imitate. This process teaches them that being a witness to their faith in the world around them is a very realistic and worthwhile goal. Finally, Totus Tuus endeavours to show children that the humble, yet courageous process of seeking Christ is a journey that must be aided by prayer and the Sacraments. Totus Tuus uses Sacred Scripture and the Catechism of the Catholic Church to instill the faith of the Church in the hearts and minds of young people. It follows a six-year cycle, so young people can be part of Totus Tuus year after year and always learn something new! This year's theme is *The Sacraments*.

<https://www.totustuustoronto.ca/day-camp>

Evening Camp:

- Grades 7-12
- Sunday- Thursday 6-9pm

Led by energetic, faithful, college-aged teachers. The Totus Tuus Middle/High School Program includes instruction, small group discussions, quiet meditation, prayer, and fellowship. The team teaches in such a way as to continually offer a dialogue by which each person feels respected in his or her most basic dignity. This year's theme is *The Sacraments*.

Ticks & Lyme Disease

How to prevent tick bites when outdoors

Blacklegged ticks that may carry Lyme disease live in wooded areas, tall grasses and bushes. Protect yourself:

- **Wear light-coloured clothing.** It makes ticks easier to spot.
- **Wear closed footwear** and socks and a long sleeve shirt tucked into long pants. Tuck your pants into your socks.
- **Use an insect repellent** containing DEET or icaridin on clothes and exposed skin. Always be sure to follow the manufacturer's directions on how to use it.
- **Check for ticks on your body**, paying special attention to the groin area, belly button, armpits, head and behind ears and knees. Use a mirror to check the back of your body or have someone else check for you. Don't forget to check for ticks on your children and your pets.
- **Take a shower** as soon as you can after being outdoors to wash off any ticks that may be on you.
- **Kill any ticks that might be on your clothing** by putting your clothes in a dryer on high heat for at least 10 minutes before washing them.

How to remove a tick

1. Use fine-tipped tweezers to grasp the tick as close to your skin as possible. Do not use your fingers.
2. Pull the tick straight out, gently but firmly. Don't squeeze the tick and don't jerk or twist the tweezers while pulling the tick out.
3. Once you remove the tick, wash the area with soap and water and then disinfect the area and your hands with rubbing alcohol or an iodine swab.
4. Put the tick in a secure container (for example, a bottle with a screw top) so it can't get out or be crushed and contact your local public health unit.

Do not use a lit match or cigarette, nail polish or nail polish remover, petroleum jelly, liquid soap or kerosene to remove the tick.

Dear Parents and Guardians:

With the arrival of warmer temperatures and more time spent outdoors, we wanted to remind you how to protect yourself and your loved ones from Blacklegged Ticks, which are native to our region, live in wooded areas, tall grasses and bushes, and may carry Lyme Disease.

In this regard, we encourage you to read the attached fact sheet from Health Ontario which indicates how to prevent tick bites when outdoors.

Thank you for your attention to this matter. As always, if you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Mr. Kelly

IMPORTANT INFORMATION: KISS AND RIDE, SCHOOL PARKING AND SAFETY CONCERNS

Dear Parents and Guardians:

The safety of our students and staff is of paramount importance. Regrettably, we are seeing an increase in incidents related to traffic circulation at the front of the school, parking lots, and in the Kiss and Ride area, particularly during morning arrival and afternoon dismissal, that are putting students, staff, and other parents/guardians at risk. Vehicles entering the site in the wrong direction, parking and pulling out of no parking zones, parking in bus lanes, and driving at a high rate of speed, to name some of the incident types, are putting the safety of our children, staff, and other parents/guardians in jeopardy. We cannot wait for a serious injury, or worse to occur, before we correct this situation. Concurrent with the traffic safety concerns, we have seen increased aggression directed towards school staff when they attempt to direct vehicles to move from these restricted parking areas. This is not acceptable.

It is imperative that all parents and guardians driving their children to school adhere to the traffic circulation plan and comply with the onsite traffic and parking signage; It is equally imperative that **all drivers** follow the direction of staff managing the traffic circulation on the school site.

When using the Kiss and Ride, you must adhere to the following procedures:

- Be patient with other vehicles as they drop off students.
- Always drive slowly on school property.
- Pull up as close to the other vehicle in front to accommodate other parents/guardians.
- **Do not park or get out of your vehicle in this area, even if only for a few seconds.**
- Students are to exit the vehicle on the passenger side (right side).
- Once your child has left the vehicle, please exit right away.
- Please do not walk your children through the Kiss and Ride Lane; this can be unsafe.
- When pulling out to pass other stopped cars, proceed with caution.

Sincerely,

Mr. Kelly

Principal

COMMUNITY INFORMATION BULLETIN: Self-Identification Option for Indigenous Families

The Dufferin-Peel Catholic District School Board (DPCDSB) is committed to supporting Indigenous (First Nation, Métis, and Inuit) students and families in our schools.

If you are First Nation (Status or Non-Status Indian), Métis, or Inuit, you are invited to self-identify as Indigenous. No documentation or proof of ancestry is required. Self-identification is voluntary and confidential.

"This has been really important for us because of the sense of community and the connection to other Indigenous families." - Melanie Cormier, Parent

Self-identification will provide access to cultural and language programs, as well as monthly programming for Indigenous students and families. Relevant information will be sent directly to families about upcoming cultural events and opportunities which help foster a sense of community and Indigenous pride within Dufferin-Peel.

For more information about the self-identification process and opportunities available to Indigenous students and families, please visit our [Indigenous Self-Identification webpage](#).

If you have any questions or require further clarification, please contact DPCDSB's Indigenous Education Coordinator, Jodie Williams, at jodie.williams@dpcdsb.org.

International and Indigenous Language Credit Courses for Grade 9

Parents/Guardians,

Thank you for your commitment to the Dufferin-Peel Continuing Education International and Indigenous Languages program. This is an exciting time of year as your child prepares for the transition from Grade 8 to Grade 9.

In preparation for next year and your child's continued interest in language learning, we are excited to announce that your child can now register for Grade 9 language credit courses in the International and Indigenous Languages Program for the September 2025-2026 school year.

The International and Indigenous Language program continues to offer full credit courses on Saturdays for High School students. A variety of courses are offered at each IIL site and students can register/enroll in the language course of their choice. A full list of courses can be found on the Continuing Education website [International and Indigenous Languages \(dpcdsb.org\)](https://www.dpcdsb.org/programs-services/adult-education) and on the attached flyer.

Course availability and location is dependent on student enrollment.

If you have further questions, please do not hesitate to contact the Dufferin-Peel Adult and Continuing Education Department at 905-362-0701 or 905-891-3034.

All the best on your child's language learning journey.

Time: 8:30 a.m. - 3:00 p.m.
Location: Ascension of Our Lord

This in-person summer camp for DPCDSB students in grades 4-8 will provide leadership programming that focuses on a variety of skills through music, visual arts, poetry and dance. Each day begins with a dedicated focus on literacy. Numeracy is embedded throughout the daily activities. The camp will include faith-based programming and daily sessions that will work to create a positive and reflective self-image while having fun using arts-based tools of education. The camp will engage and empower youth through artistic expression to be role models and leaders for their communities. Each week, students will have presentations from professional artists and community members representing a variety of art forms and skills. Through interactive workshops these individuals will share their unique gifts and talents with students and give students opportunities to develop and practice the related art form and skill. The camp will also have additional support from a variety of service providers who will offer weekly energetic programming that will get students active and engaged in learning

PLAY is a non for profit organization dedicated to facilitating the wellbeing of families living with Autism. Focusing on healthy lifestyles by means of physical education and the development of essential social skills.

What makes our program unique?

Unlike most programs designed for Autistic youth; PLAY provides personal 1 on 1 support for each student. Our staff is dedicated in helping to bring out the best in each individual. The friendships that we develop help to build confidence and trust that will initiate communication and social skills amongst their peers all while having FUN.

Program Structure

The PLAY program services autistic youth, teaching them the fundamentals of soccer and basketball while having fun. Our dedicated staff of volunteers support the PLAY Program Coordinator in weekly sessions that encourage the development of motor and social skills for autistic youths.
