Virtue of the Month: Fairness

Fairness

Important Information

Kindergarten Registration for the 2025-2026 school year is now OPEN! Please use this [link](#).

Allergy Alert

Christ the King CES is an “**allergen aware school**”. There are pupils in attendance who suffer from severe and life-threatening allergies to certain foods, such as peanut and nut products and, in some cases, dairy, seafood, and eggs. Exposure to the smallest quantities can cause severe life-threatening reactions. **We at Christ the King CES would appreciate the cooperation of the entire school community by NOT sending any lunches or snacks that could potentially harm a pupil or staff member. Please make sure that all of your children’s caregivers are aware of the food restrictions within their classroom. Students should be reminded not to share food items. No food treats are to be sent to the school for birthdays or special occasions.** There are many alternatives such as stickers and pencils. All food treats sent for sharing will be returned for home use.

Virtue of the Month: Fairness

God wants us to treat each person as we would like to be treated.

From the perspective of the Catholic Graduate Expectations, a fair person...

- Presents information and ideas clearly, honestly and with sensitivity to others
- Finds meaning, dignity, fulfillment and vocation in work which contributes to the good
- Accepts accountability for one’s own action
- Exercises the rights and responsibilities of Canadian citizenship
- Contributes to the common good

Our Daily Prayer for June: God give me an awareness of the rights of others and help me treat them as I wish to be treated. Help me to think of everyone and always give others what they deserve from me. Amen

Junior Soccer

The Junior Soccer Team will compete in the Mississauga South Tournament on June 5th at the Paramount Fine Foods Centre. Thank you to Ms. Biturajac for coaching.

Co-Ed Intermediate Beach Volleyball

Tryouts for the Co-Ed Intermediate Beach Volleyball Team will commence in the coming weeks. The team will be competing in a tournament at Chinguacousy Park in Brampton on June 24th. Thank you to Ms. Davis and Mr. Morra for facilitating this opportunity for our students.

Track and Field

The Track and Field Team will compete in the Mississauga South Meet on June 12th at St. Marcellinus CSS. Thank you to Ms. Biturajac, Ms. Gawronski and Ms. Rudyk for coaching.

Intermediate Bocce Team

The inaugural CTK Lions Bocce Team competed in the Queen of Heaven Bocce Classic on May 27th. Both the Boys and Girls squads represented our school proudly. The Boys Team made it all the way to the finals of the tournament! Thank you to Mr. Morra for coaching.

Upcoming Holidays

There will be **no school for students on Monday, June 9th (PA Day)**

Cell Phone Use

In accordance with PPM 128, students must keep their phones powered off or on silent mode and out of sight for the school day, unless otherwise allowed by the educator during instructional time for a specific purpose. Students are not to have their phones outside during recess. If you need to get in touch with your child during the school day, please contact the main office. Please review these rules with your child. We appreciate your cooperation in maintaining a positive learning environment for all at Christ the King CES.

Play Day

CTK's Play Day will take place on Tuesday, June 10th in the morning. Thank you to Ms. Leja, Ms. Evans and Ms. Vapore for leading this initiative.

CTK Tuck Shop

The CTK Tuck Shop will launch Monday, May 26th! All purchases **MUST** be made on School Cash Online. Cash orders will **NOT** be accepted. The Tuck Shop will be available every Monday and Friday throughout May and June.

Items which are available to purchase on School Cash Online are:

1. Chapman's Ice Cream Cup (Chocolate)
2. Chapman's Ice Cream Cup (Vanilla)
3. Chapman's Ice Cream Sandwich
4. Popcorn: Butter & Salt, Sweet & Salty or White Cheddar
5. Cheetos, All-Dressed Ruffles, Lays Original, Lay's Ketchup
6. Cookie Shires Chocolate Chip Cookies

Please refer to the price list provided on School Cash Online for the specific cost of each item. For ingredients, please refer to the communication sent on School Messenger.

CTK Freezie Days

Freezie Days are coming to CTK every Wednesday throughout May and June! All purchases **MUST** be made using School Cash Online. Cash will **NOT** be accepted. The first Freezie Day will be next Wednesday, May 28th. Ingredients were sent over School Messenger.

Save the Date: FDK Celebration of Learning

The FDK Celebration of Learning will take place on Tuesday, June 20th from 1:30pm-2:30pm within our FDK classrooms. More information to follow in the coming weeks.

Grade 8 Graduation

Our Grade 8 Graduation will take place on Wednesday, June 18th at the school. The Liturgy and Ceremony will begin at 6:00pm sharp.

Year End Mass

Our Year End Mass will take place on June 25th at 10:30am at St. Francis of Assisi Church. All students will be bused to and from the church. We will require parent volunteers for this excursion. All potential volunteers must have a valid CRC on file at the office. Please refer to the permission form sent home on May 30th, 2025.

Upcoming Dates

- **June 5th** – Jr. Co-Ed Soccer Tournament at Paramount Centre
- **June 7th** – Confirmation at St. Francis of Assisi Parish, 7pm
- **June 9th** – PA Day (no school for students)
- **June 10th** – Play Day (AM)
- **June 12th** – FDK Trip to Heritage Park
- **June 12th** – Mississauga South Track and Field Meet
- **June 17th** – DPCDSB Track & Field Meet
- **June 18th** – Grade 8 Graduation
- **June 20th** – FDK Celebration of Learning (in classrooms)
- **June 23rd** – Virtue Assembly
- **June 24th** – FDK Play Day
- **June 24th** – Co-Ed Int. Beach Volleyball Tournament – Chinguacousy Park
- **June 25th** – Year End Mass at St. Francis of Assisi Parish
- **June 26th** – Grade 8 Trip to Dave & Buster's
- **June 27th** – LAST DAY OF SCHOOL!

June 2025 School Health E-Blast from Peel Public Health

Bird Flu and Food Safety

To prevent bird (avian) flu, it is important to avoid contact with ill or deceased wild birds and animals. All poultry, beef and other meat, organs and eggs should be thoroughly cooked to kill all potential viruses, parasites and bacteria including bird flu, and all milk and milk products should be pasteurized before consumption.

The flu vaccine does not provide protection against the bird flu, but will provide protection against the seasonal flu. The seasonal flu virus can weaken your immune system and your ability to resist other infections.

Encouraging Active Play

Daily movement and active play are vital for children's physical, mental and emotional well-being. When kids develop basic movement skills like running, jumping, throwing and balancing, they build the confidence and ability to stay active for life!

Home plays an important role in encouraging these habits. Here are a few simple ways to support active lifestyles, allowing for more opportunities for children to move, explore and play.

- Encourage outdoor play by bringing children and their friends to parks or other natural settings.
 - Take short walks or bike rides as a family.
-

Image Description: Children exploring nature with water and trees

-
- Play simple backyard games like tag, hopscotch or nature scavenger hunts.
 - Limit screen time and make space for movement indoors. From [10 Lego games to get kids moving](#), to these [6 active games you can play with a pair of socks](#), there are lots of ways to have fun indoors if you're willing to be a little creative!

[Active for life](#) has fun, inclusive and practical ideas to keep kids moving and learning with free resources for families!

Ticks in Peel Region

Many types of ticks are found in Peel region, including black-legged ticks, which can cause Lyme disease and other diseases through their bite. However, the most common tick species encountered in Mississauga and Brampton is the American dog tick which does not transmit Lyme disease.

Image Description: Picture of a Tick on grass

Blacklegged tick activity is influenced by temperature, and they may be active anytime temperatures are above freezing. American dog tick activity is influenced by day length and activity peaks in late May with activity decreasing as days shorten in the late summer and fall.

Avoid ticks by:

- Walking on paths and staying out of long grass or brushy areas.
 - Using a bug spray with DEET or icaridin (always follow label directions).
 - Wearing light-coloured clothing, so it's easier to see ticks; closed-toed shoes; long-sleeved shirts; long pants, tucked into your socks.
 - After being outdoors, check for ticks on yourself, your children, and your pets.
-

If you have been bitten by a tick, remove and identify the tick.

- Use tweezers, grab the tick as close to the skin as possible.
- Gently pull the tick straight out until the tick releases its hold on your skin. Avoid twisting, crushing or squeezing the tick.
- Use soap and water or an antiseptic to clean the tick bite and wash your hands.
- Submit photos of ticks for free identification and public health guidance to **etick.ca**. Store the tick in a container with a tight-fitting lid while waiting for tick identification results.

Image Description: How to remove a Tick with tweezers

COMMUNITY INFORMATION BULLETIN

Important Update on the DPCDSB Dress Code Policy

March 4, 2025

The Dufferin-Peel Catholic District School Board (DPCDSB) remains committed to fostering a safe, caring, and inclusive learning environment where all students feel a sense of belonging and can achieve success. Dress codes and school uniforms are designed to support diversity, accessibility, safety, and the dignity of all students.

On January 28, 2025, the Board of Trustees approved updates to **Policy P-2006 Dress Code and School Uniform**. As part of these changes, dress code expectations now require that students ensure the area from the top of the shoulders to mid-thigh is covered.

Additionally, the DPCDSB dress code continues to prohibit any clothing with messages that contain or depict offensive or inappropriate content. Students are not permitted to wear attire that promotes:

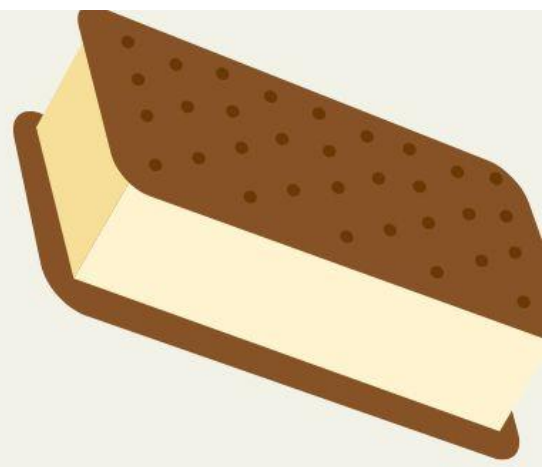

- Hate
- Discrimination
- Illegal activity
- Profanity
- Violence
- Political language
- Threats to health and safety
- Any content that violates the Ontario Human Rights Code

We appreciate your support in ensuring our schools remain welcoming and respectful spaces for all students.

If you have any questions, please contact your child's school administration.

Parish Summer Camps

Totus Tuus Toronto: Parish Summer Camps & Missionary Program

Day Camp:

- Mondays to Fridays
- Children entering Grades 1-6 in the fall

Students attend four classes each day, attend daily Mass, learn the Mass parts and liturgical songs, participate in games, icebreakers, skits, songs, recess, and prayer. The curriculum helps children to learn and be reinforced in important principles of their Catholic faith. College students who are on fire with their faith give the students living examples to observe and then imitate. This process teaches them that being a witness to their faith in the world around them is a very realistic and worthwhile goal. Finally, Totus Tuus endeavours to show children that the humble, yet courageous process of seeking Christ is a journey that must be aided by prayer and the Sacraments. Totus Tuus uses Sacred Scripture and the Catechism of the Catholic Church to instill the faith of the Church in the hearts and minds of young people. It follows a six-year cycle, so young people can be part of Totus Tuus year after year and always learn something new! This year's theme is *The Sacraments*.

<https://www.totustuustoronto.ca/day-camp>

Evening Camp:

- Grades 7-12
- Sunday- Thursday 6-9pm

Led by energetic, faithful, college-aged teachers. The Totus Tuus Middle/High School Program includes instruction, small group discussions, quiet meditation, prayer, and fellowship. The team teaches in such a way as to continually offer a dialogue by which each person feels respected in his or her most basic dignity. This year's theme is *The Sacraments*.

Ticks & Lyme Disease

How to prevent tick bites when outdoors

Blacklegged ticks that may carry Lyme disease live in wooded areas, tall grasses and bushes. Protect yourself:

- **Wear light-coloured clothing.** It makes ticks easier to spot.
- **Wear closed footwear** and socks and a long sleeve shirt tucked into long pants. Tuck your pants into your socks.
- **Use an insect repellent** containing DEET or icaridin on clothes and exposed skin. Always be sure to follow the manufacturer's directions on how to use it.
- **Check for ticks on your body**, paying special attention to the groin area, belly button, armpits, head and behind ears and knees. Use a mirror to check the back of your body or have someone else check for you. Don't forget to check for ticks on your children and your pets.
- **Take a shower** as soon as you can after being outdoors to wash off any ticks that may be on you.
- **Kill any ticks that might be on your clothing** by putting your clothes in a dryer on high heat for at least 10 minutes before washing them.

How to remove a tick

1. Use fine-tipped tweezers to grasp the tick as close to your skin as possible. Do not use your fingers.
2. Pull the tick straight out, gently but firmly. Don't squeeze the tick and don't jerk or twist the tweezers while pulling the tick out.
3. Once you remove the tick, wash the area with soap and water and then disinfect the area and your hands with rubbing alcohol or an iodine swab.
4. Put the tick in a secure container (for example, a bottle with a screw top) so it can't get out or be crushed and contact your local public health unit.

Do not use a lit match or cigarette, nail polish or nail polish remover, petroleum jelly, liquid soap or kerosene to remove the tick.

Christ The King Catholic Elementary School

3420 Garthwood Road, Mississauga ON, L5L 5A3

T: (905) 569-0220 F: (905) 569-2797

Dear Parents and Guardians:

With the arrival of warmer temperatures and more time spent outdoors, we wanted to remind you how to protect yourself and your loved ones from Blacklegged Ticks, which are native to our region, live in wooded areas, tall grasses and bushes, and may carry Lyme Disease.

In this regard, we encourage you to read the attached fact sheet from Health Ontario which indicates how to prevent tick bites when outdoors.

Thank you for your attention to this matter. As always, if you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Mr. Kelly

Principal

March 21st, 2025

IMPORTANT INFORMATION: KISS AND RIDE, SCHOOL PARKING AND SAFETY CONCERNS

Dear Parents and Guardians:

The safety of our students and staff is of paramount importance. Regrettably, we are seeing an increase in incidents related to traffic circulation at the front of the school, parking lots, and in the Kiss and Ride area, particularly during morning arrival and afternoon dismissal, that are putting students, staff, and other parents/guardians at risk. Vehicles entering the site in the wrong direction, parking and pulling out of no parking zones, parking in bus lanes, and driving at a high rate of speed, to name some of the incident types, are putting the safety of our children, staff, and other parents/guardians in jeopardy. We cannot wait for a serious injury, or worse to occur, before we correct this situation. Concurrent with the traffic safety concerns, we have seen increased aggression directed towards school staff when they attempt to direct vehicles to move from these restricted parking areas. This is not acceptable.

It is imperative that all parents and guardians driving their children to school adhere to the traffic circulation plan and comply with the onsite traffic and parking signage; It is equally imperative that **all drivers** follow the direction of staff managing the traffic circulation on the school site.

When using the Kiss and Ride, you must adhere to the following procedures:

- Be patient with other vehicles as they drop off students.
- Always drive slowly on school property.
- Pull up as close to the other vehicle in front to accommodate other parents/guardians.
- **Do not park or get out of your vehicle in this area, even if only for a few seconds.**
- Students are to exit the vehicle on the passenger side (right side).
- Once your child has left the vehicle, please exit right away.
- Please do not walk your children through the Kiss and Ride Lane; this can be unsafe.
- When pulling out to pass other stopped cars, proceed with caution.

Sincerely,

Mr. Kelly

Principal

COMMUNITY INFORMATION BULLETIN: Self-Identification Option for Indigenous Families

The Dufferin-Peel Catholic District School Board (DPCDSB) is committed to supporting Indigenous (First Nation, Métis, and Inuit) students and families in our schools.

If you are First Nation (Status or Non-Status Indian), Métis, or Inuit, you are invited to self-identify as Indigenous. No documentation or proof of ancestry is required. Self-identification is voluntary and confidential.

"This has been really important for us because of the sense of community and the connection to other Indigenous families." - Melanie Cormier, Parent

Self-identification will provide access to cultural and language programs, as well as monthly programming for Indigenous students and families. Relevant information will be sent directly to families about upcoming cultural events and opportunities which help foster a sense of community and Indigenous pride within Dufferin-Peel.

For more information about the self-identification process and opportunities available to Indigenous students and families, please visit our [Indigenous Self-Identification webpage](#).

If you have any questions or require further clarification, please contact DPCDSB's Indigenous Education Coordinator, Jodie Williams, at jodie.williams@dpcdsb.org.

International and Indigenous Language Credit Courses for Grade 9

Parents/Guardians,

Thank you for your commitment to the Dufferin-Peel Continuing Education International and Indigenous Languages program. This is an exciting time of year as your child prepares for the transition from Grade 8 to Grade 9.

In preparation for next year and your child's continued interest in language learning, we are excited to announce that your child can now register for Grade 9 language credit courses in the International and Indigenous Languages Program for the September 2025-2026 school year.

The International and Indigenous Language program continues to offer full credit courses on Saturdays for High School students. A variety of courses are offered at each IIL site and students can register/enroll in the language course of their choice. A full list of courses can be found on the Continuing Education website [International and Indigenous Languages \(dpcdsb.org\)](https://www.dpcdsb.org/programs-services/adult-education) and on the attached flyer.

Course availability and location is dependent on student enrollment.

If you have further questions, please do not hesitate to contact the Dufferin-Peel Adult and Continuing Education Department at 905-362-0701 or 905-891-3034.

All the best on your child's language learning journey.

Free for students in Grades 4 - 8
Dates: July 8- 29, 2025
Time: 8:30 a.m. - 3:00 p.m.
Location: Ascension of Our Lord

This in-person summer camp for DPCDSB students in grades 4-8 will provide leadership programming that focuses on a variety of skills through music, visual arts, poetry and dance. Each day begins with a dedicated focus on literacy. Numeracy is embedded throughout the daily activities. The camp will include faith-based programming and daily sessions that will work to create a positive and reflective self-image while having fun using arts-based tools of education. The camp will engage and empower youth through artistic expression to be role models and leaders for their communities. Each week, students will have presentations from professional artists and community members representing a variety of art forms and skills. Through interactive workshops these individuals will share their unique gifts and talents with students and give students opportunities to develop and practice the related art form and skill. The camp will also have additional support from a variety of service providers who will offer weekly energetic programming that will get students active and engaged in learning

PHYSICAL LIFESTYLE FOR AUTISTIC YOUTH

What is PLAY?

PLAY is a non for profit organization dedicated to facilitating the wellbeing of families living with Autism. Focusing on healthy lifestyles by means of physical education and the development of essential social skills.

What makes our program unique?

Unlike most programs designed for Autistic youth; PLAY provides personal 1 on 1 support for each student. Our staff is dedicated in helping to bring out the best in each individual. The friendships that we develop help to build confidence and trust that will initiate communication and social skills amongst their peers all while having FUN.

Program Structure

The PLAY program services autistic youth, teaching them the fundamentals of soccer and basketball while having fun. Our dedicated staff of volunteers support the PLAY Program Coordinator in weekly sessions that encourage the development of motor and social skills for autistic youths.
